

OXFORD BUDDHIST SOCIETY

Oxford Centre of Theravāda Buddhism

UK Registered Charity No. 1204856

22nd January 2024

Dear All Friends in the Dhamma,

Dhamma Greetings!

Theravāda Monastery Development Project

We are writing to you to ask for your support in helping us establish a permanent base for Oxford Buddhist Society (OBS). As a society, we aim to make a platform viable for learning, practising, and researching Buddhist teachings for the sake of restoring inner peace and happiness. Moreover, we want to form a centre that enriches in spiritual community and harmony. Thus, with the advancement of our sessions and spiritual activities, OBS is currently on the search for a home to conduct mindfulness meditation programmes and discussions on a regular basis. At present, our sessions and events take place at The Cherwell School North Site, Oxford every fortnight. However, we find that with the progression and demand of our events, a permanent home is needed to advance our mission further.

We endeavour to find a suitable environment that reflects the core values of the noble mission of OBS. As of this moment, we have found an ideal place that resembles what we look for establishing the Oxford Centre of Theravāda Buddhism. As such, we seek for a place that is at the heart of Oxford with an environment that invokes calm and peace; suitable enough to hold mindfulness meditation retreats and Dhamma discussions, with feasible transport links, sufficient parking space, and suchlike.

If you wish to contribute towards this noble mission, please visit our website at: <https://www.oxfordbuddhistsociety.org/theravadamonasterydevelopmentproject>, for more information. All means of your support to help actualise this noble mission is greatly appreciated out of loving-kindness and compassion.

May inner calm, peace and wisdom be with you today and always.

Thank you!

With mettā,

Theravāda Monastery Development Committee

Oxford Buddhist Society
